The local civil service board should make this study guide available to all applicants in whatever manner the board deems appropriate.

While there are no provisions requiring this office to provide study guides for any competitive or promotional examinations, this study guide has been provided as a service to assist applicants in preparing for an examination. The State Examiner's Office has no control over the local availability of reference material nor do we feel constrained to limit examination questions to only that material which is available locally. Examination content, weighting of subject areas, and length of examination may vary with each administration of an examination to reflect any updated job analysis information.
