

FIRE CAPTAIN

(Promotional Class)

DISTINGUISHING FEATURES OF THE CLASS

This class encompasses responsible supervisory positions, the primary duties of which involve the supervision of the operations of a fire company, including the supervision of firefighting personnel, apparatus and equipment on an assigned shift. Employees of this class respond to emergency calls, assume command at the scene of an emergency in the absence of a superior officer, perform emergency medical services, and assist in the training of subordinate employees. Fire Captains have the authority to work independently in most areas, performing special tasks with only general instructions. Employees of this class report to and have work reviewed by a superior officer. Fire Captains rank directly below the class of Deputy Fire Chief.

EXAMPLES OF WORK

Examples listed below are illustrative only. They are not intended to include all duties which may be assigned, neither are they intended to exclude other duties which may be logical assignments to this class.

Manages the operations of one fire company on an assigned shift. Responds to all fire alarms, directs the operating and positioning of the fire apparatus at the fireground, and sets up the fireground perimeter for crowd and traffic control. Directs the operation of a fire company when responding to emergencies by gathering and assessing pertinent data provided by dispatcher, and performing size-up of an emergency scene. Directs emergency scene operations until relieved by a superior officer. Provides for the needs of the firefighters and other emergency personnel at the scene of an emergency. Supervises and assists subordinate employees in search and rescue, forcible entry, self-contained breathing apparatus, ladder operations, ventilation, nozzle and hose handling, protection of exposures, fire extinguishment, pump operations, sprinkler and standpipe systems, water supplies, salvage and overhaul, and emergency medical services. Serves as fire safety officer at the scene of an emergency. Handles emergencies involving hazardous materials. Maintains communications between the fire scene and other authorized personnel. Supervises emergency medical services such as basic first aid, CPR, and first

responder services at the emergency scene and on the way to the hospital.

Makes recommendations to superior officers regarding policies, goals, and objectives for the department. Recommends changes in department operations that will help the fire district improve insurance ratings. Evaluates the efficiency of response units following emergency incidents. Briefs incoming Fire Captain on all pertinent activities that occurred or those that will occur on the upcoming shift.

Supervises subordinate fire department personnel, delegates authority to subordinates, assigns work and duty areas, inspects the appearance of subordinates. Provides assistance to subordinates in technical areas of work. Oversees and evaluates the work performance of subordinates, conducts employee performance evaluations, and discusses work performance with subordinates. Assists in maintaining discipline among subordinates by recommending disciplinary action to the appointing authority through the chain of command.

Performs pre-fire planning inspections by visiting businesses, schools, and places of public assembly. Reports fire hazards or safety violations to the appropriate authority. Secures the fire scene to prevent the removal or damage of evidence of suspected arson. Searches for, protects, preserves, reports, and maintains the chain of custody of any evidence of suspected arson. Assists arson investigation personnel in the investigation of the causes, origins, and circumstances of fires occurring within the jurisdiction. Testifies in court when required.

Assists in the development of the department training program and the conducting of training in the classroom, the conducting of drills and evolutions and providing informal or on-the-job training for new employees. Serves as a consultant for volunteers within the department or in departments in surrounding areas, providing them with technical expertise, assistance, and cooperation in training and/or fire fighting efforts when required.

Provides for the maintenance of department records, such as records of activity, inventory records, or any others which may be required. Provides for and ensures that accurate emergency medical services records such as personnel records, patient care records, records of activity, financial records, and inventory records are maintained. Compiles data and writes reports. Personally

completes any forms, records, or reports required, including payroll records and NFIRS reports.

Provides for the repair and maintenance of apparatus and equipment. Inspects fire apparatus, station house, buildings, and facilities to ensure compliance with departmental standards. Reports and receives reports about any problems with fire department property and equipment for the purposes of repair and maintenance. Conducts tests or directs the testing of fire department apparatus and equipment.

Responds to questions and complaints from the public about the operations of the fire department. Participates in special community projects designed to improve public relations. Makes presentations and demonstrations related to fire prevention and fire safety.

Performs related duties as assigned.
